Dancentre of Edinburg Students Complete Summer Intensive

EDINBURG, Texas (August 7, 2013) The Dancentre of Edinburg is proud to announce that four of its students recently attended the Joffrey Ballet Summer Intensive in San Antonio, Texas. To be eligible to attend, the students participated in a nationwide audition in March.

The summer intensive is a rigorous and physically challenging two-week ballet program, which Miguel Garcia, 13, Yahaira Cerda, 11, Jaclyn Reyes, 10, successfully completed.

“We are very pleased with the achievements of our dancers and their quest to continue their ballet training,” said Yvonne Guajardo, co-director of Dancentre of Edinburg. “The summer intensive gave them the opportunity to work with master teachers, improve their technique and meet other talented dancers from around the United States.”

Joffrey Ballet Workshop Program Coordinator Buddy Trevino said, “The students are well-trained and talented.”

Dancentre of Edinburg co-director Yvette Iannelli said Trevino’s comment affirmed her passion of teaching students to dance and bringing dance to South Texas audiences.

Dancentre is located at 2750 Hedfelt Dr. in Edinburg. For more information, please call (956) 383-2623 or 330-9439.
